

XIth WFNS Rabat Reference Center Course for Young African Neurosurgeons

&

WFNS Education and Training Committee Course

18 - 19 June 2019

Venue: Convention Center - Royal Tulip Hotel - Tangiers

WORKSHOP SCHEDULE

Day 1: Tuesday June 18th, 2019

"Hands-on on Endovascular Procedures"

14:00 Registration and Welcome of participants

14:15 - 15:15 Conferences

14:15 Basic Catheter manipulation

N. Akioka (Japan)

14:25 Basic aneurysm coiling

N. Kuwayama (Japan)

14:35 Mechanical Thrombectomy for acute ischemic stroke

N. Kimura (Japan)

14:45 Carotid artery stenting

R. Yoshimura (Japan)

14:55 Treatment of dural AV fistula

W. Tsuruta (Japan)

15:05 Q&A

15:15 Group splitting

15:30 - 18:30 Hands-on session on anatomical models

Station 1

Diagnostic angiography and catheter manipulation

Station 2

Aneurysm coiling and embolization

Station 3

Mechanical thrombectomy

Station 4

Mentice training simulator

Group rotation (45min for each group on each station)

18:30

Closing session and Group Photo

COURSE SCHEDULE

Day 2: Wednesday June 19th, 2019

"CURRENT MANAGEMENT AND FUTURE TRENDS IN NEUROSURGERY"

07:30 - 08:00	Registration		
08:00 - 08:15	Welcome and introduction	A. El Khamlichi (Director of the WFNS Rabat Reference center)	
		A. El Ouahabi (Director of the Residency training program, Rabat Med Vth University)	
	WFNS Introductory remarks	F. Servadei (President of the WFNS)	
		N. Zanon (Chairman WFNS Pediatric Neurosurgery committee)	
08:15 - 09:30	Trauma Session		
	08:15 Guidelines for TBI and SCI: do we need a change?		F. Servadei (Italy)
	08:30 Cerebral Concussion. What's new.		Y. Bouzoubaa (Morocco)
	08:45 Surgical indications in subaxial cervical spine injuries		N. El Abbadi (Morocco)
	09:00 Spinal Cord Injuries: controversial approaches		F. Servadei (Italy)
	09:15 Discussion		
	Q & A		
09:30 - 10:45	Tumor Session		
	09:30 Management of craniopharyngioma; open vs endoscopic techniques - current state of the art		F. Gentili (Canada)
	09:45 Multimodal management of pituitary adenoma		A.El Ouahabi (Morocco)
	10:00 Management of petrous apex lesions		M. Arraez (Spain)
	10:15 Medulloblastoma: What has changed in the last decade		M. Choux (France)
	10:30 Discussion		
	Q & A		
10:45 - 11:15	Coffee Break		

11:15 - 12:30 Vascular Session

11:15 Anatomical and technical bases of intracranial aneurysm surgery

A. El Azhari (Morocco)

11:30 Surgical management of giant and complex aneurysms

M. Bojanowski (Canada)

11:45 Clipping techniques in complex aneurysm surgery

T. Kiris (Turkey)

12:00 Various Techniques of Aneurysm coiling

N. Kuwayama (Japan)

12:15 Discussion

Q & A

12:30 - 13:30 Pediatrics Session

12:30 Spinal dysraphic lesions: classification

M. Choux (France)

12:45 Myelomeningocele: Prevention and actual management

N. Zanon (Brazil)

13:00 Management of complex craniosynostosis

C. Di Rocco (Italy)

13:15 Discussion

Q & A

13:30 - 14:30 Lunch Break

14:30 - 15:30 Functionnal Neurosurgery Session

14:30 Temporal lobe epilepsy: the ideal case to launch an epilepsy surgery program

A. El Khamlichi (Morocco)

14:45 Stereotactic Atlases in Functionnal Neurosurgery

P. Cornu (France)

15:00 Surgical treatment of movement disorders

T. Uçar (Turkey)

15:15 Discussion

Q & A

15:30 - 16:30 Education and training Session

15:30 Training the skull base surgeon of the future.

F. Gentili (Canada)

15:45 Contribution of ventricular endoscopy in digital pedagogy

S. Tliba (Algeria)

16:00 How to deal with complications in neurosurgery

K. Turel (India)

16:15 Simulation and new training paradigms in Neurosurgery

A. Perin (Italy)

Discussion

Q & A

16:30 - 17:30	WFNS Rabat Reference Center Alumni Meeting	
	Presentations of the regional advancements, limitations and experiences (5-7min presentation)	
	RDC	Dr Jeff Ntalaja
	BENIN	Dr Qisito Kenum
	OUGANDA	Dr Onen Justin
	GUINEE CONAKRY	Dr Seylan Diawara
	TOGO	Dr Achille Komlan
	NIGER	Dr Habibou Laminou
	NIGERIA	Dr Nassirou Ismail
	CAMEROUN	Dr Ben Ousmanou Djoubairou
	MALI	Dr Omar Coulibaly
17:30	Closing and remarks; Group Photo	
17:30 - 18:30	Meeting of the WFNS President with Trainees and Alumni of the WFNS Rabat Reference Center	
19:00	Opening Ceremony
